GENERAL INFORMATION

Dear Workshop Students,

We are delighted that you are joining us for the 26th George Kahumoku Jr. Slack Key Guitar & 'Ukulele Workshop and another wonderful week of learning about Hawaiian music and culture. Once again, we're looking forward to seeing old friends and welcoming new ones to the Kahumoku workshop 'Ohana.

This Student Information Packet contains general information about the workshop and will hopefully answer any questions you have. If you need further information of any kind, please contact us at mauiworkshop@gmail.com or check out the [FAQ page](#) on the Kahumoku.com web site. Be sure to bring this information packet to the workshop with you.

COVID-19 HEALTH & SAFETY GUIDELINES

As of March 26th, 2022, travelers from the U.S. do not need proof of vaccination, or a negative COVID-19 test before coming to Hawai'i.

While not required, we strongly urge that all workshop participants be vaccinated and boosted for COVID-19.

Get tested if you have COVID-19 symptoms. Even if you think it's just a cold or allergies, get tested.

The health and safety of our staff and students is our highest priority at the workshop, so all workshop activities will be conducted in accordance with standards established by the Maui County Health Department and CDC. For current information regarding Maui County travel and health guidelines, visit: [Maui Nui Strong](#)

PAYMENT OF BALANCES

If your tuition balance was not paid (by credit card or PayPal) at the time that you registered online, you can pay your balances by using the [Workshop Payment Page](#).

If you have any questions, please let us know.

Registration Cancellation Policy: A cancellation service charge of 4% of total registration fees is applied to refunds made up to 60 days before the workshop start date. After 60 days before the workshop, the cancellation service charge is 8% of the total registration fees. Exceptions to this policy are made in cases of medical emergency or pandemic-related travel restrictions.

Student Packet

ARRIVAL

Workshop check-in is from 1:00 to 3:00 pm on Wednesday May 29th in the *Aloha Pavilion* at the Napili Kai Beach Resort, our workshop headquarters again this year. Late arrivals can also check-in Thursday morning. There will be an orientation meeting for first-time students from 4:00 – 5:00 pm on Wednesday afternoon that is optional but highly recommended.

CHECK-IN PACKAGE

At check-in, you will receive the following check-in package items:

- **Workshop T-shirt** - (or shirts, if you purchased more than one) that you ordered when you registered online for the workshop. You'll wear these for the group photo on the last day and for the Student Performance that night.
- **He Mele Hawai'i** – The workshop songbook contains over 100 traditional Hawaiian songs, with song background notes, lyrics, chords and translation of the Hawaiian lyrics. Songs that we play at kanikapilas and many of the songs that instructors use in classes are drawn from the songbook. Students may choose paper/hardcopy or electronic/PDF versions of the songbook during online registration.
- **Dis 'n Dat** – A sourcebook/reference manual that contains useful information for both guitar and 'ukulele students, including chord charts in multiple keys and instrument tunings, chord runs, turnarounds/vamps, scales, and a bit of music theory. This manual will also be available in both hardcopy and electronic formats.
- **Workshop Class Schedule** – Although we send out preliminary copies of the workshop schedule prior to the workshop for planning purposes, we include the final “official” version in the check-in package.
- **Name Tag** – Will include your name, workshop program, and your city, state/province, and country of residence.
- **Admission to the Wednesday** “Slack Key Shows – Masters of Hawaiian Music”. Each person who registers for the workshop receives free admission to both Wednesday night shows at the beginning and end of the workshop week. Tickets are not necessary, as student names are included on the guest list at show check-in. Admission for guests can be purchased during online workshop registration or at the workshop.

Commented [KC1]: The last couple of years we have not included this information?

Student Packet

TRANSPORTATION

If you are arriving by air into Kahului, you can carpool, rent a car, or use local transportation to reach the workshop site in Napili. While it is not necessary to rent a car for use during the workshop, you may find it convenient if your plans include some sightseeing before or after the workshop. While all the major rental agencies (Hertz, Avis, Dollar, Budget) operate at the airport, we encourage patronizing local businesses. One of our favorite local rental companies (that offers discounts to workshop students) is:

Aloha Rent a Car – 808-877-4477 (www.mauirentacar.com)

Airport shuttle service is available between Kahului and the Napili Kai from:

Speedi Shuttle, 877-242-5777, www.speedishuttle.com, \$223.30 per couple, round trip (check with them for any recent prices changes).

Commented [SH2]: Wow - really?

Uber, Lyft, and Holoholo rideshare services operate on Maui, though pricing information for rides between the airport and the Napili Kai is not available currently. Use the services' web apps to obtain fare estimates.

When possible, we encourage carpooling between Kahului and the Napili Kai. We publish carpooling requests and offers in our Workshop Newsletters that are sent out to workshop students beginning in April, 2024. If you would like to explore the carpooling opportunity, log in to our [Room/Rideshare page](#) or send us an email at mauiworkshop@gmail.com, and we will put you on the list.

The Napili Kai Beach Resort is located at 5900 Lower Honoapiilani Road, in Napili - West Maui. Driving distance from Kahului is 33.2 miles. Allow approximately one hour drive time.

WORKSHOP MEALS (Change from 2023)

Except for dinner on the final day, the 2024 workshop registration fee includes all lunches and dinners during the workshop week. This year, because of staffing and food sourcing issues related to the fires in August, breakfasts will not be provided by the workshop. Alternatively, a breakfast buffet option, catered by the Sea House Restaurant, will be available. This is an added-cost option that can be selected during the online registration process.

Student Packet

HOTEL ACCOMMODATIONS

Our workshop headquarters again this year is the Napili Kai Beach Resort, where all classes and workshop activities will be held. The Napili Kai offers special discounted room rates for workshop students: \$275/night with full kitchen, \$265 per night with mini-fridge and microwave, plus local taxes and maid gratuity. These rates apply to stays beginning three days prior to the workshop through the final workshop day. There are a limited number of rooms available at this rate, so workshop attendees are encouraged to make reservations early. Reservations for rooms at the workshop discount rate must be made online (do not phone the hotel), as part of the workshop registration process. If you would like to make a reservation at the Napili Kai but did not do so during online registration, email us at mauiworkshop@gmail.com for a link to the online Reservation Form.

We expect that rooms at the Napili Kai will sell out quickly again this year, so we recommend registering for the workshop and making reservations as early as possible. If workshop rooms are sold out, you can ask to be placed on the waiting list, as cancellations sometimes occur.

The Mauian Hotel is next door to the Napili Kai and offers special rates to workshop students for partial ocean view studios. Contact the hotel for rates and reservations at 808-669-6205 and identify yourself as a workshop student.

We recommend that our workshop students consider staying at the Napili Kai for the following reasons:

- Being “on campus” will eliminate the commute time, which can be tiring as the week progresses, keeping in mind that our jam sessions end around 9:30pm and morning meetings begin the next day at 8:30am. That commute time could be spent practicing & reviewing, or relaxing & sleeping, to digest the day’s information.
- A room at the Napili Kai will provide a personal space in which to rest, nap, grab a snack, easily retrieve instruments, take a cool shower, or practice undisturbed throughout the day.
- Non-resident students are required to park outside of the hotel on nearby streets, while students staying at the Napili Kai receive parking passes for access to more convenient hotel parking lots.
- For the special discounted room rates mentioned above, the Napili Kai offers recently renovated resort classrooms with full or partial kitchens, daily maid service, air conditioning, access to swimming pools and Jacuzzi, laundry facilities, a full restaurant on site... all steps away from a beautiful white sandy beach!

Student Packet

SCHOLARSHIP/WORK-STUDY STUDENTS AND WORKSHOP STAFF

If you are a scholarship/work-study student or workshop staff member, you are required to attend a meeting on Wednesday prior to the workshop to receive your assignments & responsibilities for the week. Check the Workshop Schedule for time and place.

GUEST POLICY

Visitors are welcome to attend the evening kanikapilas, the *Open Mic Night* on Monday, and, of course, the *Student Performance Night* on the final Wednesday. Visitors are not permitted to attend workshop classes, meals, or other events unless prior arrangements are made with George or Nancy Kahumoku. A **Companion** program is available to those accompanying a registered student but not participating in the music and culture classes. This program includes all lunch and dinner meals, a workshop t-shirt, and admission to both Wednesday **Masters of Slack Key** shows. Registration for this program can be done online through the Workshop Registration page on the Kahumoku.com website.

WORKSHOP SONGS

Each year, by tradition, two songs are selected from the workshop songbook, *He Mele Hawai'i*, to be the official workshop performance songs. These songs will be performed together on stage with participating instructors at the *Student Performance Night* on the final Wednesday of the workshop. Students in the Performance Hula class will also learn a hula to one of these songs. (For those who want to get a head start, the workshop song titles will be announced in the final Workshop Newsletter, "Maui Workshop Notes".)

THE WORKSHOP STORE

Instructor music CDs, instructional DVDs, books, craft items, the 20th Anniversary Commemorative Photo Book, and other workshop collectibles can be purchased at the Workshop Store in the Aloha Pavilion. The store is open most evenings during the workshop from 5:00 to 7:00 pm.

PRIVATE LESSONS

During the workshop week, a limited number of private lessons are available with instructors each day. Students sign up for private lessons each day for lessons on the following day. This is a great opportunity to have a one-on-one learning experience with some of Hawaii's best musicians and instructors. You can select the topic you want to focus on or, alternatively, the instructor can suggest topics that may be helpful. There is no additional charge for private lessons. Don't fail to take advantage of this opportunity – it's sure to be one of the highlight experiences you'll take away from the workshop!

Student Packet

OPEN MIC NIGHT

Monday evening (day 5) from 7:30 to 9:30 pm. This traditional workshop activity is an opportunity for students to perform on stage at the Aloha Pavilion for a very supportive audience – namely, the rest of the workshop students! Whether it's just for fun or honing material for your next professional gig, you'll get to perform under the lights in a professional concert setting with microphones and instrument plugins. Although most students stick to Hawaiian material, any music genre is welcome. Instructors often attend the event and make themselves available as accompanists upon request. There is always a high demand for performance slots, so acts are limited to one song and a five-minute maximum time limit. Sign-ups are taken at the Monday morning group meeting. (Hint: this is yet another opportunity to make your workshop a memorable experience!)

2024 WORKSHOP MUSIC TRACK

The two morning class sessions are an hour and 15 minutes in length; the three sessions after lunch are one hour in length. There is a 15-minute break between classes to give you time to get to your next class location.

You'll find the 'ukulele and guitar "level" classes in the morning sessions, i.e. the beginning, intermediate and advanced classes. It's not necessary to sign up for classes... just show up and grab a chair! If you're not sure about your level, try a class that you think might fit. If it doesn't, try another class. Some level classes are progressive, where the instructor develops material over multiple days. Other classes are standalone classes where all material is covered in a single class. We note these class types in the Workshop Schedule, but it's a good idea to check with the instructor if you want to find out which teaching approach they're using.

Afternoon classes, unlike the level classes, cover a range of topics, like picking styles, songwriting, chord variations, and jamming with others. They are generally open to all levels, unless otherwise noted in the schedule.

In planning your schedule for the workshop, consider the unique opportunity to take advantage of classes outside of your discipline – they can enhance your musical and cultural education in ways you may not have considered. If you are an instrumentalist, consider dropping in on a hula class, attending one of the craft classes, a voice class or even Hawaiian Cooking. This is a chance to think out of the box and enhance your workshop experience.

2024 CULTURE/CRAFTS TRACK

Culture/crafts classes are scheduled throughout the workshop day. The 'olelo (language), choir, hula, lauhala & coconut leaf weaving classes are progressive, i.e., material and crafts are developed over the

Student Packet

course of several classes. Other classes, such as Hawaiian Cooking, Hawaiian Fishing, Voice and ‘Ukulele Intro, are one-day classes.

You can attend as many as 5 classes per day, but don’t feel the need to attend a class every session ...you may become victim to “workshop burnout”. There’s a ton of information to absorb every day, so it’s a good idea to take a break now and then (e.g., go for a swim, take a nap, or join one of the impromptu jams) to give your brain – and fingers – a rest.

WORKSHOP WEEK

Class sessions are shown in yellow.

2024 Workshop Week Schedule - Preliminary

29-May			30-May	31-May	1-Jun	2-Jun	3-Jun	4-Jun	5-Jun

THINGS TO BRING TO THE WORKSHOP – Personal Items

WORKSHOP ATTIRE

It's warm in Napili (low to mid-eighties daytime, upper seventies at night) so pack accordingly: shorts and t-shirts are standard everyday wear, while for ladies popular options are a cool sundress.. For evening kanikapilas, the welcome and laulau dinners, dining out, etc. aloha attire would be appropriate, along with a lightweight jacket for the occasional cool evenings. Flip-flops ("slippahs" to Hawaiians) are standard footwear... for all occasions.

Don't forget your bathing suit – the Napili Kai sits on one of Maui's most beautiful beaches, and the swimming and snorkeling in the crystal-clear waters of Napili Bay are superb! Snorkeling gear can be rented at Snorkel Bob's Dive shop, next door to the Napili Kai. Chargers and batteries for any electronic gear or cameras you plan to bring should be on your list, but keep in mind that there are stores close by that sell all the supplies you're likely to need (or forgot to bring.)

Washing Machines: There are coin-operated washing machines and dryers at the Napili Kai, and laundry soap is provided.

Commented [KC3]: Moved below under things to bring since this isn't really about "attire".

THINGS TO BRING TO THE WORKSHOP – For Your Music Classes

INSTRUMENTS

You can either bring your own instrument, or if you would rather not travel with your favorite ax, you can rent one on Maui. Lahaina Music, our recommended rental source for guitars and 'ukuleles was, unfortunately, destroyed in the Lahaina fire and, as of this writing, we are not sure whether it will reopen in 2024. Instruments can also be rented from Bounty Music in Kahului.

Bounty Music

111 Hana Hwy #105, Kahului
808-871-1141

If you would like to try a Hawaiian Steel Guitar class but don't own a steel guitar, we will have a limited number of instruments at the workshop to loan, and some "nut extenders" that can temporarily convert your steel string guitar for the class and practicing. Because the number of loaner instruments is limited, if you can, please consider bringing one to ensure you'll have an instrument to use in classes.

Amplifiers – Students should plan on bringing and playing acoustic instruments. Amplifiers are not permitted for use in classes or kanikapilas (other than for steel guitars).

Other recommended items:

- Extra string sets

Student Packet

- Electronic tuner
- Lightweight, collapsible music stand
- Clothes pins or magnets, to hold paper music sheets to your stand
- Tote bag or backpack to carry gear, class materials, etc.
- Polishing cloth to wipe down your instrument
- Notepad, pen/pencil

Optional Items:

- Portable recording device*, batteries
- iPad or similar tablet device
- Still/video camera*

Wi-Fi is available at the Napili Kai, and cell phone reception is fine with all of the major carriers.

*Some instructors have policies regarding video or audio recording during workshop classes. Always check with instructors first.

WORKSHOP GUIDELINES AND CLASS ETIQUETTE

- Students are expected to be respectful of the instructor and other students in classes. Students should refrain from “noodling” on their instrument or talking with other students while the instructor is speaking or playing. Play when the instructor asks you to play, otherwise, refrain. You will have plenty of time to practice later!
- Napili Kai Quiet Hours – Are from 10pm to 8am. Workshop students are expected to be considerate of other hotel guests and limit practicing, jamming, singing, etc. to non-quiet hours.
- Smoking – is not allowed in workshop classes, kanikapilas, meals, or other workshop events. Smoking is allowed in designated outside areas at the Napili Kai. Check with the hotel for details.
- Alcohol – Generally, alcohol consumption is not conducive to the learning process and is discouraged during workshop activities. Some participants may bring a glass or decanted wine to dinner, which is ok. Obnoxious, disruptive, or discourteous behavior related to alcohol consumption will not be tolerated and may be grounds for the termination of workshop privileges.
